Making a Difference

Crag House Farm is the headquarters of the Christian Charity, Caring For Life. The Charity seeks to support disadvantaged and vulnerable people here in Leeds, by providing therapeutic daytime projects here on the farm & by providing practical support throughout life.

The Granary Restaurant, Farm Shop, Coffee Shop & Garden Nurseries are run as a very special social enterprise. Your custom plays a vital role in providing much needed income to help our Pastoral Support Workers provide love, care and in many cases life-long practical and emotional support. Your custom does make a difference.

THANK YOU!
